

# Student Device Information

*All students at Summerville High School and Connections Visual & Performing Arts Academy are issued a Chromebook for academic courses.*

**Forms are located in online registration.**

## ◆ **Choice of insurance payment methods**

The cost to insure a device is \$25 per student per device. Insurance covers theft, loss, and fire/flood damage to the device. Parents will be responsible for the replacement cost of damaged or lost devices if insurance is not purchased ( \$380/Chromebook), or damage is done intentionally to the device.

- Credit card payments are accepted online.
- Check/cash payment accepted at Parent Device Information Meeting, Registration, or in the Summerville High School District Business Office.

## ◆ **Waived/reduced insurance costs**

Go to <https://secure.ezmealapp.com> to apply online for the Free and Reduced Meal Application.

- Insurance cost is waived for students who qualify for free National Nutrition Program.
- Insurance cost is \$12.50 for students on the reduced program.

## ◆ **Mobile Device Management system**

All student devices are managed using a Mobile Device Management (MDM) system. Devices are pre-configured for student use which utilizes the following features:

- Provides secure access to Email and Wi-Fi networks, and filters all usage on and off-campus.
- Keeps devices up-to-date, and protects against inappropriate and unnecessary apps. Only pre-approved apps are loaded onto devices by school administrators.
- Allows school administration to remotely “wipe” or turn off certain apps or features on mobile devices.

**ALL DEVICE AGREEMENTS AND INSURANCE PAYMENTS ARE DUE BY First Day of School**
